THE ROAD BEHIND

2025 RECAP- WHAT A YEAR TO CELEBRATE!

We had an incredibly busy and successful 2025, and we can't thank you enough for your participation and support throughout the year.

We kicked things off by celebrating our 5th anniversary with our very first MAA & MD WofA Golf Tournament at Whiskey Creek. Throughout the year, we hosted three Lunch & Learns; Meet & Greet with the MD WofA, Public Speaking 101 and Stress Management, and introduced our first two Paving & Pastries event with the ladies of Allan Myers and M. Luis.

We also expanded our outreach and impact—attending our first Jane of All Trades event with the Girl Scouts, participating in Camp NAWIC to support young women exploring careers in construction, and launching our From Pavements to Putts series with ladies-only golf lessons.

Our 4th Annual Christmas in July was another huge success, raising \$10,153 and collecting 708 pounds of food for the Maryland Food Bank. In October, we held our first Susan G. Komen fundraiser, selling 113 long-sleeve t-shirts and raising \$565 in support of breast cancer awareness.

This year also marked several exciting milestones. We launched our first scholarship program to support women pursuing careers in construction—whether through college, trade school, or continued professional development. We also revamped our website to include dedicated event pages, scholarship information, and a new home for our newsletters...including the very one you're reading now!

We already have an exciting lineup planned for 2026—check out the next page for a preview, with even more to come!
